Dedication

We dedicate the 1955 edition of "The Laker" to our parents. They, by having provided us with the necessities of life and particularly by having given us our first and most lasting desire for the higher things of life, have been most responsible for our education.

ADMINISTRATION

During your school years you have created for yourself a record of character, personality, manual skill, extra-curricular activity, and scholastic ability. That record is of your own making; it will never change.

This Yearbook forms part of that record.

Principal

There are so many ways to find adventure. Some are very costly and short lived.

Education, though not without cost, is truly a great adventure. It has been said, "the more you know, the more you find there is to know."

Would it not be a disaster to stop an adventure that can be so useful to all of us throughout our lives. Imagine the adventure possible in science, economics, farming, foreign affairs, engineering and architecture.

Juniors

Gene Sohler, President; Alan Herman, Vice-President; LaRae Lyon, Treasurer; Janice Robinson, Secretary; Mr. Janisch, Advisor.

The Juniors began a busy year this year. First of all they put on their class play, "Charles Aunt." It took a great deal of work but was well worth it.

Extra curricular activities play an important part in the life of the Juniors. Participating in F.H.A., F.F.A., G. A. A., band, chorus and sports.

In the spring came our Junior-Senior Banquet. Also with much preparation and excitement.

I'm sure we will all agree that our Junior year has been an extremely exciting one.

We of the Sophomore class are proud to announce that this is our first year in Senior High School.

We have many active members in such extra-cirricular activities as F.H.A., F.F.A., G.A.A. and sports. Also newly formed this year was our Sophomore trio and sextette. The Sophomore Pow-Wow and the class parties will go down in our diary as being loads of fun.

We can say as a whole that this Sophomore year will long be remembered, but we are looking forward with great excitement to becoming Juniors.

Mr. Berglund, Advisor; Robert Dowlin, Treasurer; Dave Christenson, Secretary; Tom Breiter, Vice-President; Pat Helleksen, President.

Freshmen

Bill Lloyd, President; Miss Hopinka, Advisor; Judy Kollman, Secretary-Treasurer; Blaine Krueger, Vice-President.

Finding themselves at that important crossroad between Junior High and Senior High, the peppy Frosh have had an exciting year.

Having been allowed in some of the Senior High activities such as: F.H.A., G.A.A., and F.F.A., they are beginning to feel just a little more "grown-up." They have also participated in Junior High band, chorus and athletics.

And of course, there were our class parties! They can hardly wait until they can be Sophomores, and can take part in all high school activities.

The eighth graders were happy to greet their old friends in a new school this year.

We lost a few of our last years students, but gained a couple this year.

We have some very active students in sports, band, chorus and many other activities.

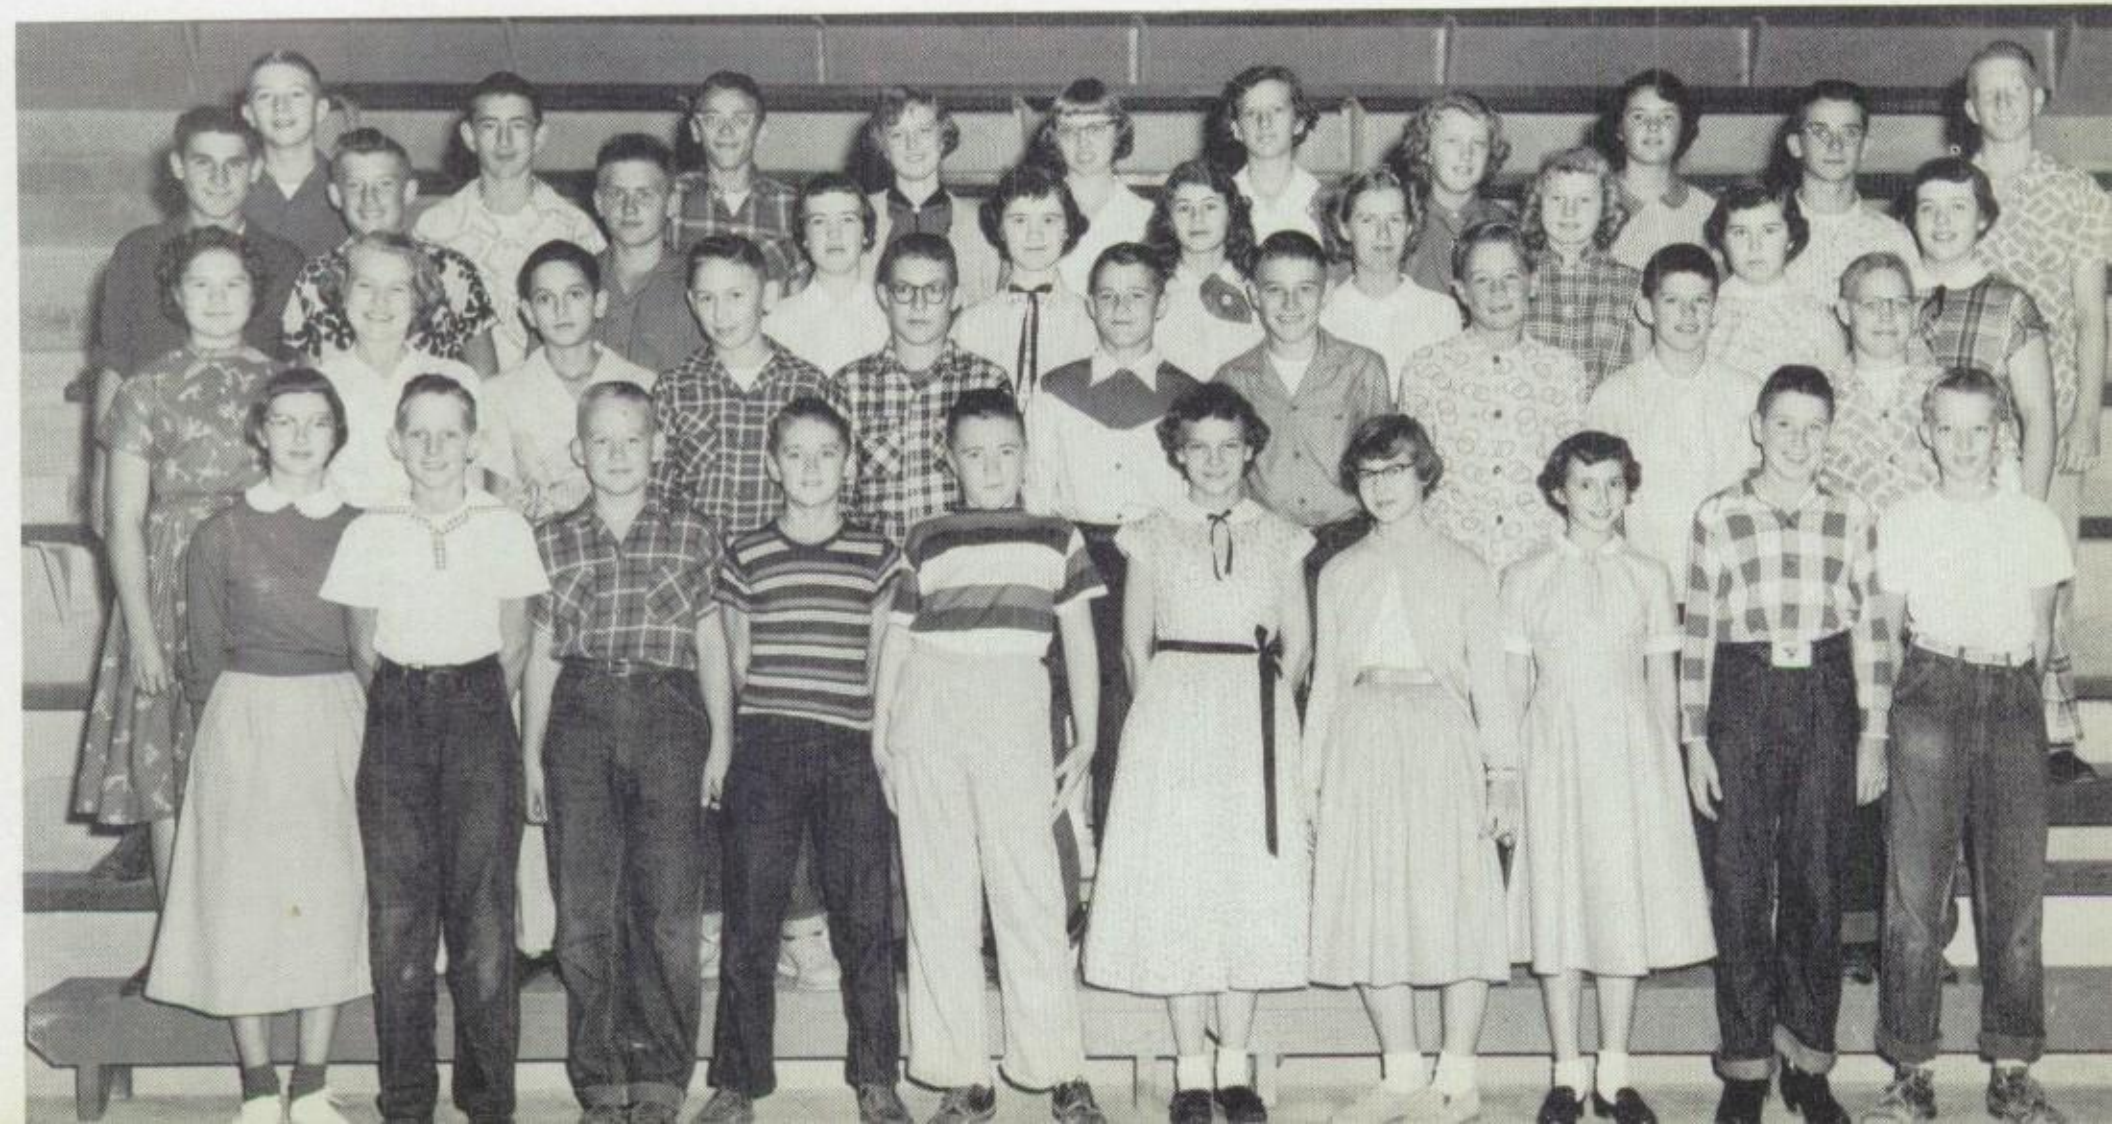

We will strive to promote more school spirit in this year and years ahead.

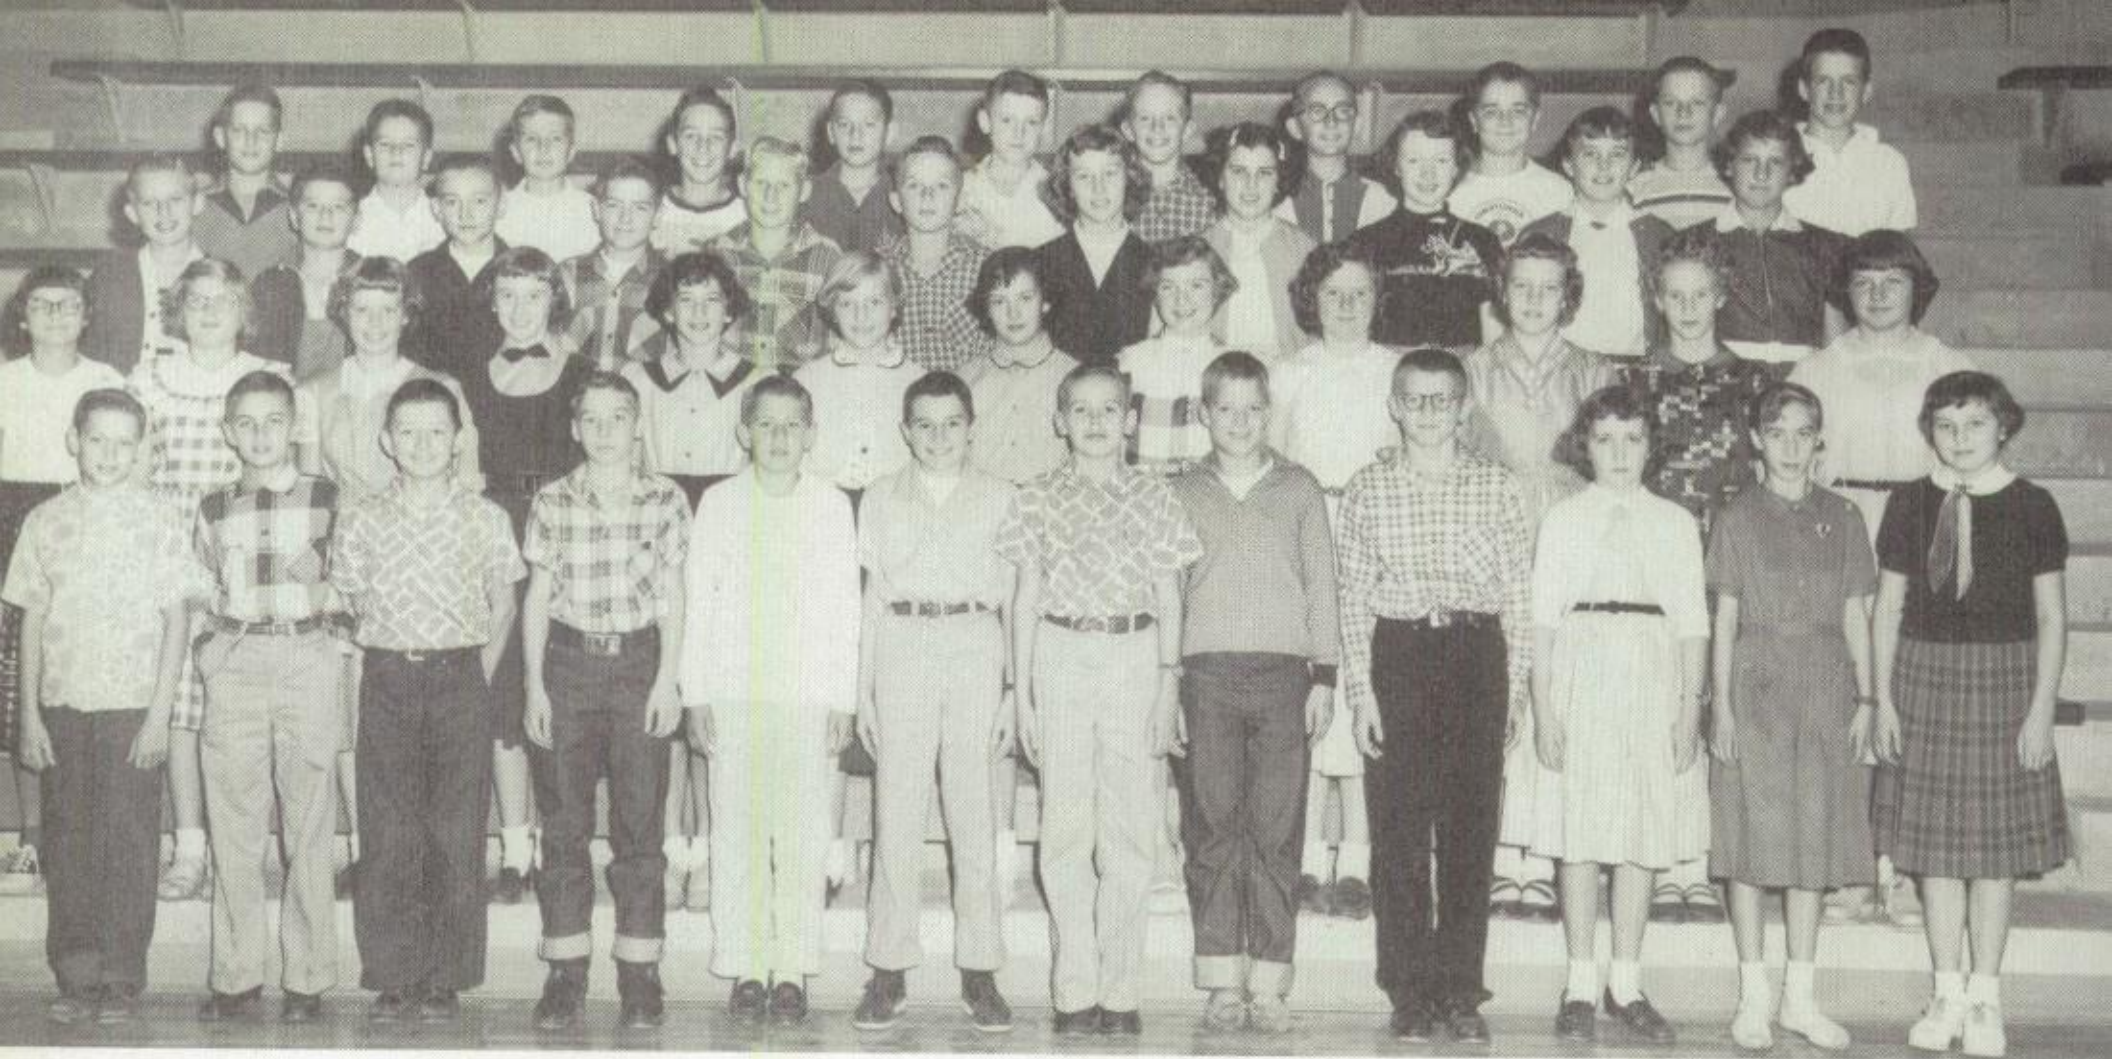

Eunice Sorlien, Treasurer; Karen Oldenberg, Secretary; Mr. Drysdale, Advisor; Jeffery Hanson, Vice-President; Ralph Meredith, President.

As members of the seventh grade our first few days of being in Junior High and the new building were quite confusing.

After becoming accustomed to our new routine we began participating in such activities as Junior High chorus, Second band, G.A.A. and Junior High athletics.

We hope that our remaining years at L.C.H.S. will be as active as our first year.

Future Homemakers of America

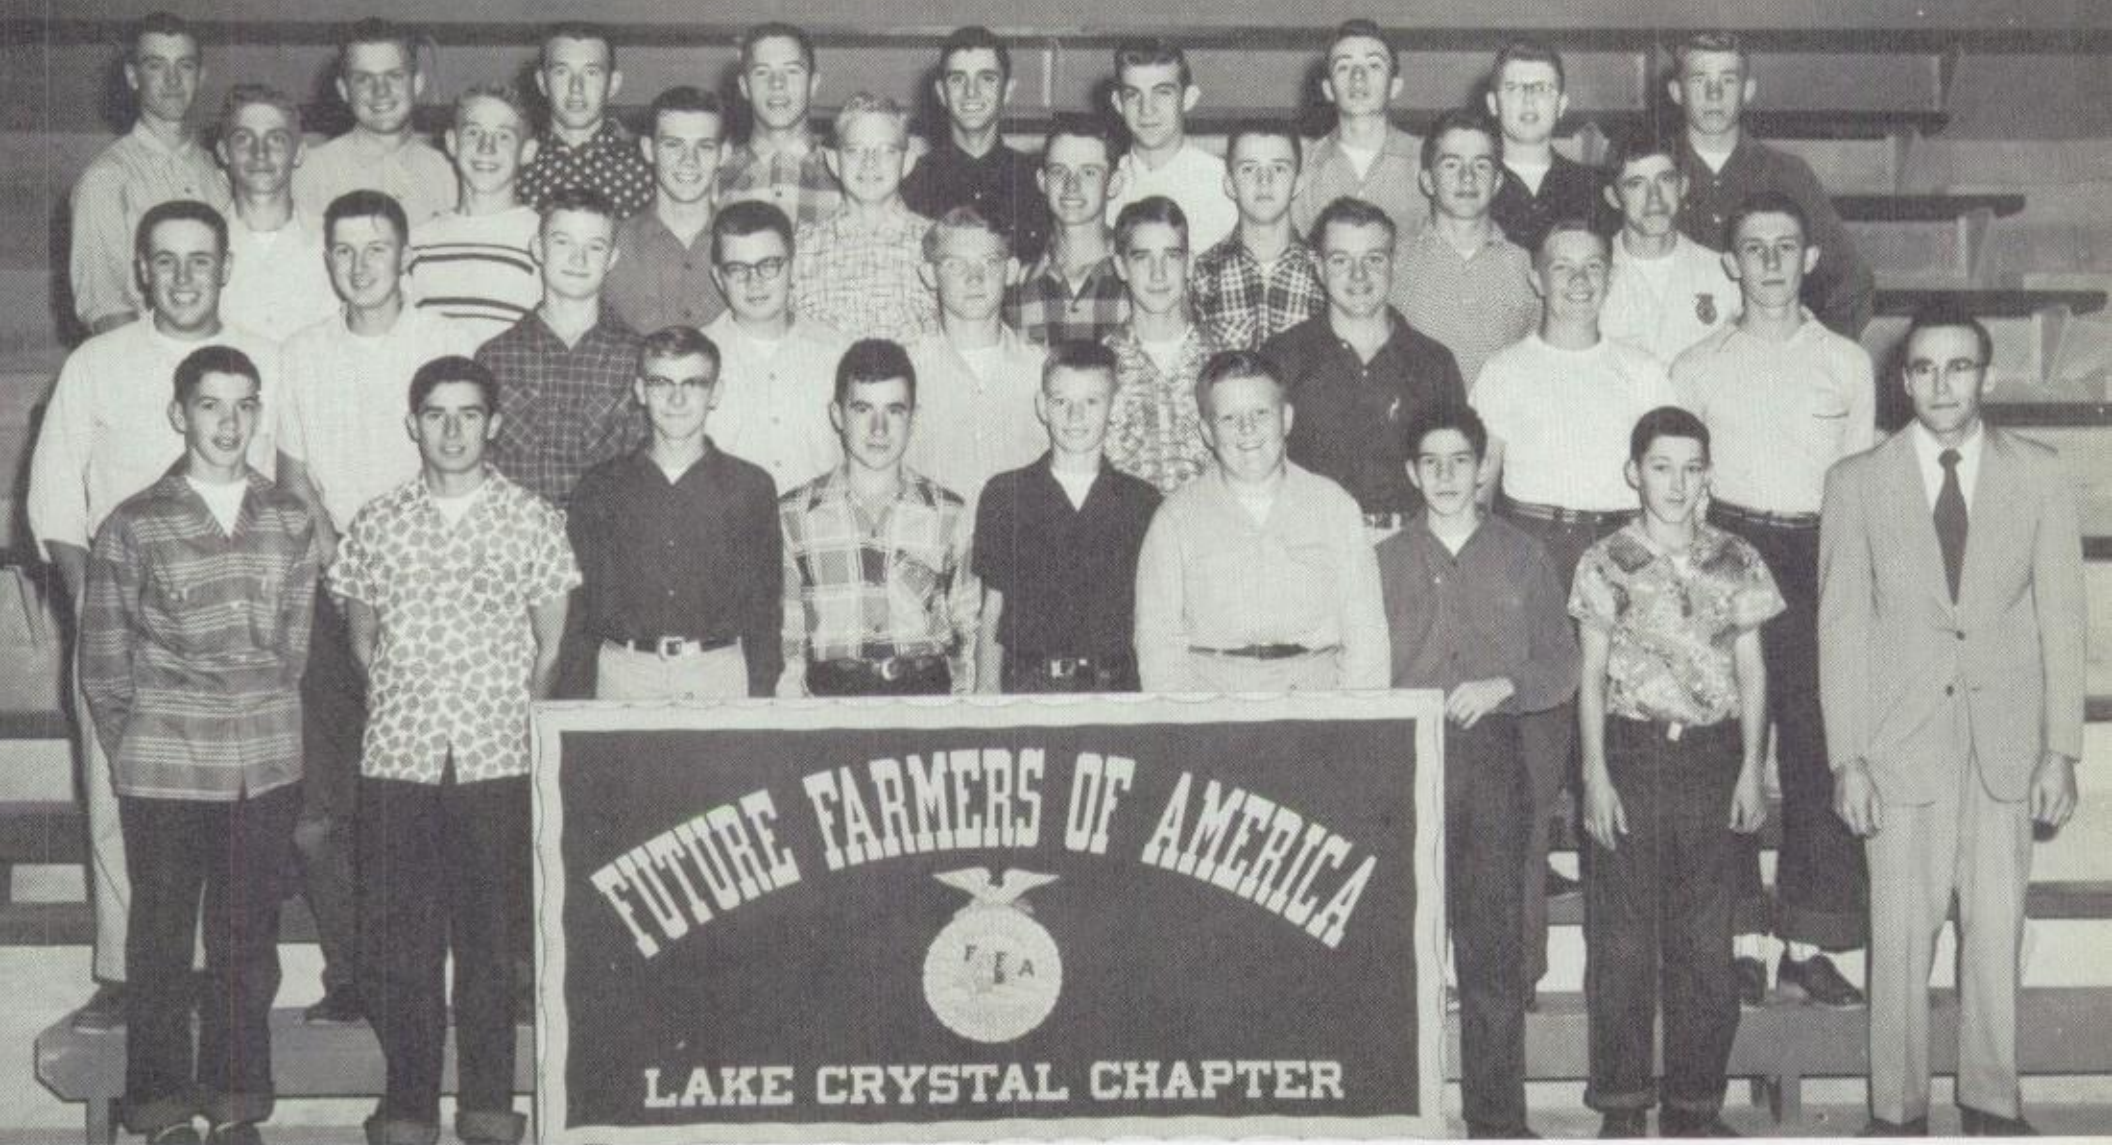

F.H.A., being one of the most active organizations in school, got off to a good start this year by twenty-nine members attending the District VIII F.H.A. convention at Hills, Minnesota on October 16.

One of our big activities is Daddy-Date Night, when we all brought our fathers to a F.H.A. meeting, and showed them just what F.H.A. is all about and proved we could have fun too. Other activities were filling Christmas baskets for shut-ins, setting up a booth at

the State Fair, selling UNESCO stamps, filling Red Cross chests and contributing to the March of Dimes.

Spring is a busy time for F.H.A. when we attend the state meeting and have our Mother-Daughter style show and tea. We are equally proud of Janette Johnson, who is state parliamentarian this year.

As everyone in F.H.A. agrees, it is a worthwhile and purposeful organization. It prepares us to be better and happier Future Homemakers of America.

Future Farmers of America

Don Faulkner, Ray Hanson, John Peterson and Ronald Pedersen represented the Lake Crystal chapter at the state F.F.A. convention as the first place meats team of the district. This same team placed second in the state convention last year. At the district contest John placed first, Don third and Ray eighth in the individual class.

The livestock team also won honors to represent the chapter at the state convention this spring by placing fourth in the district contest. The members of this team were Dick Diesch, John Davis, Dennis Laingen, and Duane Rogers. Dick Diesch placed sixth as an individual in the contest.

This group of F.F.A. members set a good record for Lake Crystal. We hope the future teams will do as well.

GAA

During the past year, the G.A.A. has been one of the more active organizations in school. This year the G.A.A. has taken over the activities of the Pep Club by sponsoring the cheerleaders, and providing programs for the pep fests.

Probably their biggest event of the year was the Sadie Hawkins dance

which found the girls doing a switcheroo and chasing down the boys.

Some of their out of town activities were a "Play Day" at Mankato State, a splash party at Mankato High, and trip to the bowling alleys in Mankato.

There were basketball, volleyball and deck tennis tournaments held during the noon hour.

Student Council

The Student Council is consisted of a representative from each organization and two from each class.

This year one of our first main projects was the Homecoming activities. We also sent five representatives to the state convention at Albert Lee. The Student Council also takes care of

the Christmas program.

The Student Council was formed to represent all of the student body in problems pertaining to the general welfare of the students. Through the Student Council, students wishes are represented to the administration and faculty.

The band of L.C.H.S. is one of the busiest organizations in school. Over summer vacation the band went to Jackson to participate in the Legion parade. The Legion provided a dinner which was just great.

Barb Nokes, Carol Meixell, LaRae Lyon, and Gweneth Jones were given the opportunity to attend band camp over the summer vacation at Bemidji. They obtained this honor by attending the most band performances and putting in the most practice hours outside of

band.

We opened the '54 and '55 school year by playing for the dedication of the new high school. We also participated in Mankato State Teachers College homecoming parade and also in a mass band group which played for the game at half time. We also put on a spring concert and participated in district and state music contests.

There are many points to bring out about our new band room, but to sum it all up, it sure is swell.

Second Band

The second band consists mainly of Jr. High students who are interested in music and plan to advance to first band. We find them participating in the Christmas program and in our annual spring concert.

Usually they learn marches, some swing numbers, and school songs to play for our last home basketball game.

In the spring, we find each band member doing his best to play and march correctly so he may be the lucky one to get promoted into first band.

During the year they have sung at various programs including the Veteran's Day and Christmas programs. Of course they had a big part in the annual Spring Concert and contests.

The Trio's, this year, have been very active. They have sung at various school activities, church organizations, and community affairs.

The newest group is the Sophomore Trio. We would like to say that they're doing fine.

The Junior Trio are veterans of two years. They still have another year with which to let their music ring.

This is the Senior Trio's last year to be able to sing together. We are sure that they will agree that these three years have been very important to them.

Operetta

Each year, to the delight of the grade school people, they have presented an operetta. This years production was "Tom Sawyer." Dennis Herman played the part of Tom, and Everette Lloyd as Huck Finn. The boys in their ragged jeans and the girls with their pretty dresses added much to the atmosphere of the old south.

We will all agree that the grade boys and girls gave a fine, entertaining preformance.

Wrestling Squad

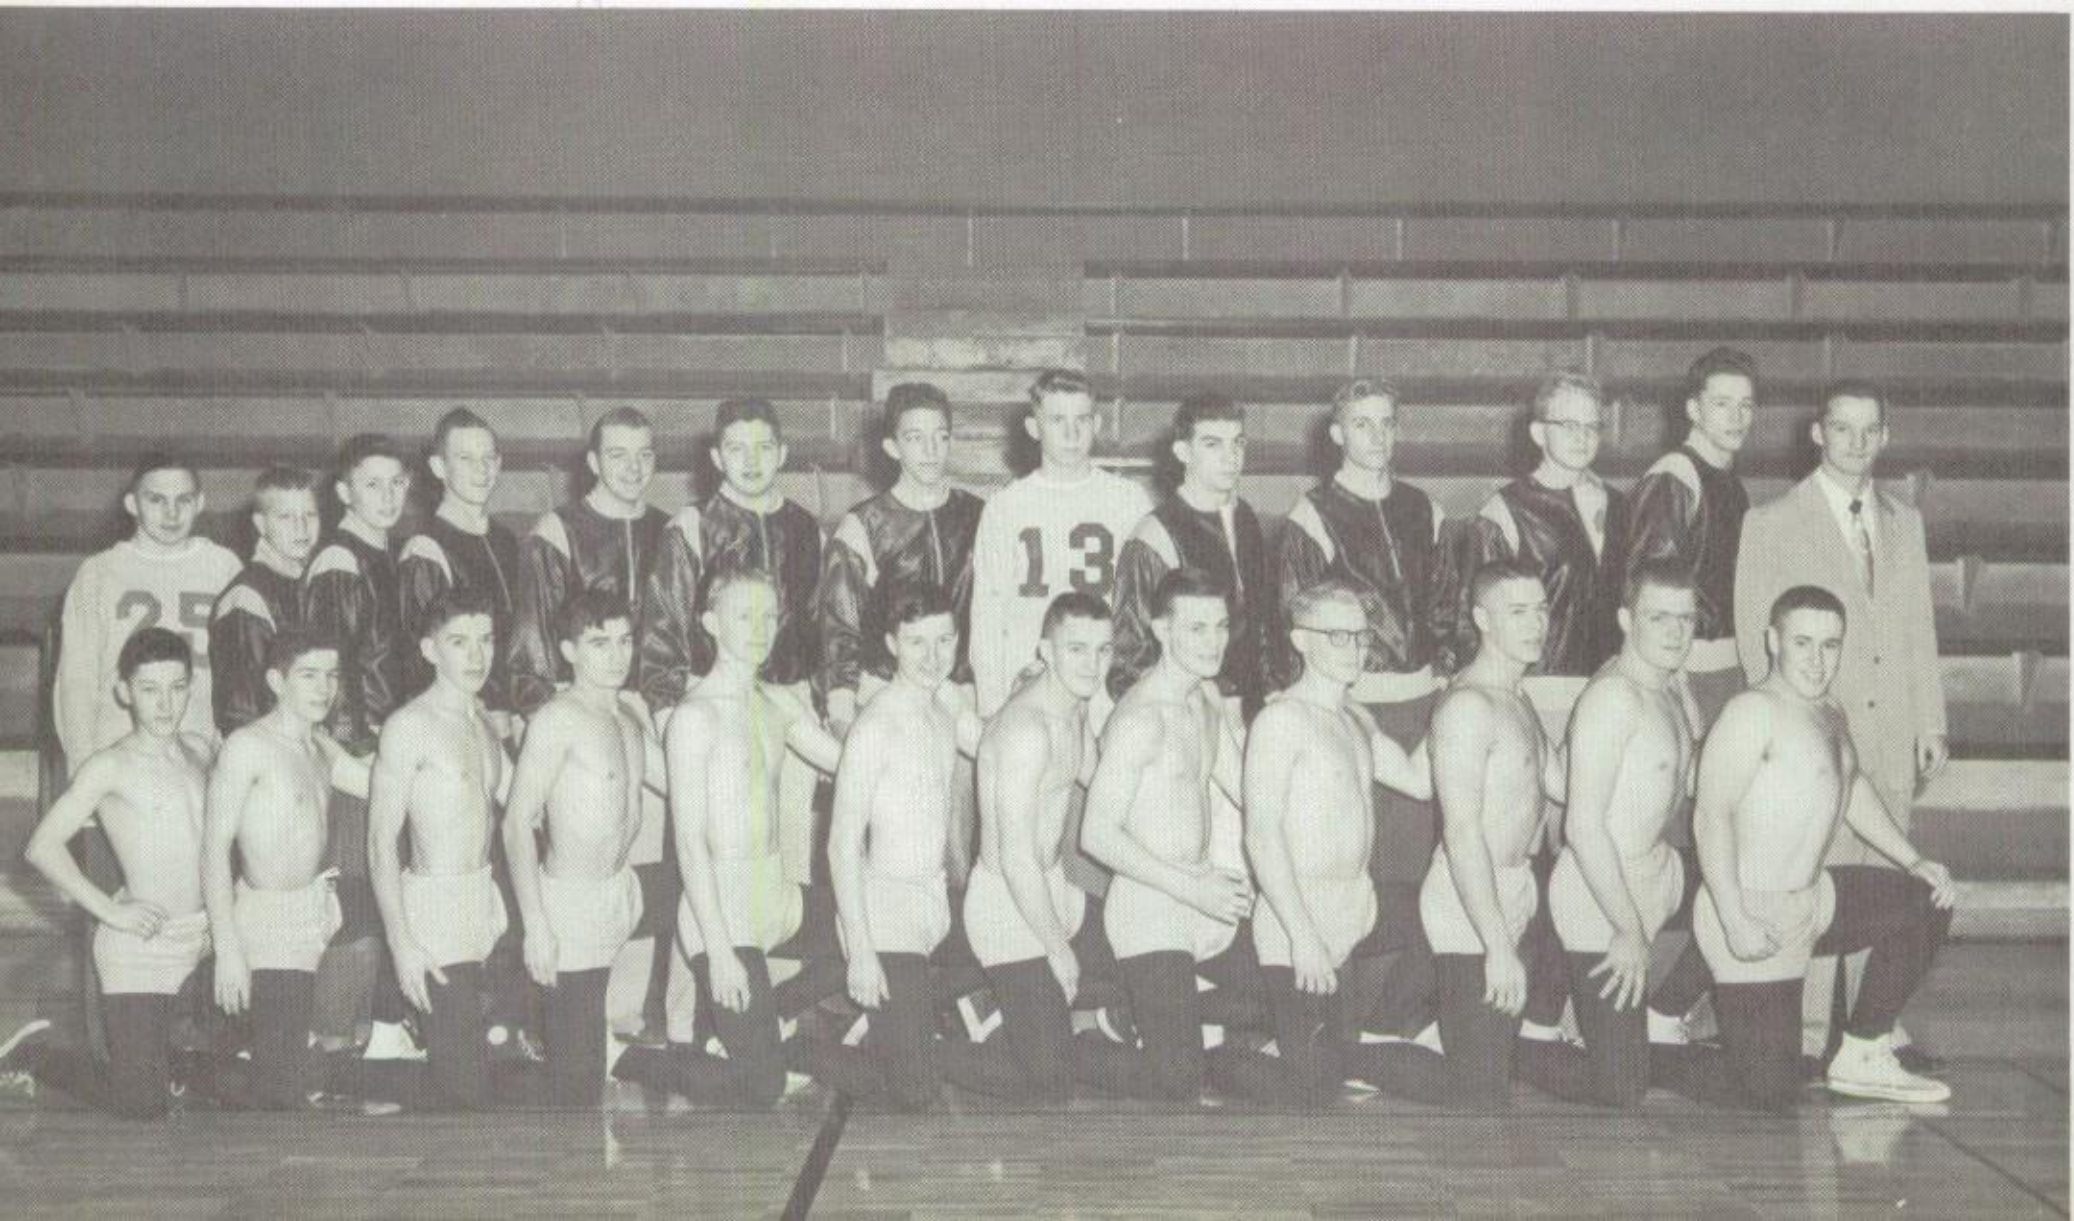

The year 1954-55 was a season of "learning" for all members of the wrestling squad. Problems of acquiring space for practice were overcome by a room made available, and cleaned by members of the team.

Guiding this first year team to a very successful season was Captain Ray Hanson, assisted by all members of the squad. All look forward to next year when wrestling will take its place among the other sports here at Lake Crystal.

Annual Staff

The 1955 Annual Staff was composed of four members. We believe the purpose of our yearbook is to record the activities and events for one year. It should have personality and reader appeal. We hope our year-

book has reached this goal, and that our readers will enjoy their annual.

We, the annual staff, enjoyed working on this project and feel that the work was well worth it in the end.
